November**

Athletics carnival  
field events

**Thursday 5  
November**

Athletics carnival  
track events

## **2/3S share their published narratives**

### **From the Principal's desk...**

Welcome back, I hope everyone enjoyed a safe and happy holiday.

As you would be aware there have been some easing of restrictions in NSW, however parents are still not permitted on school grounds unless for student welfare discussions. We are continuing with our hygiene protocols and enhanced cleaning of the school will continue this term. We are also maintaining our drop off and pick up procedures that have been in place since returning to school.

Next week is Book Week, there will be a Book Fair in the library for students to purchase books, an author visit on Monday and a dress up day on Thursday. The students have also been completing a colouring in competition. What an

exciting week!

Another reminder about enrolments, if you are leaving, or know anyone who is, please contact the school and let us know. This information is important for planning for 2021.

It is disappointing that some of our end of year events have had to be cancelled this year. Unfortunately, we must follow the COVID guidelines for schools. More information will come through and I will send this home as it does. However, it can be difficult to change plans at short notice, so some of our usual end of year events may remain cancelled regardless of easing restrictions.

Have a great week.

Cheryl Butler

**Hannans Road  
Public School  
Key Messages**

**Right place, right  
time.**

I'm where I need to  
be when I need to  
be there.

**Respect for self,  
others and place**

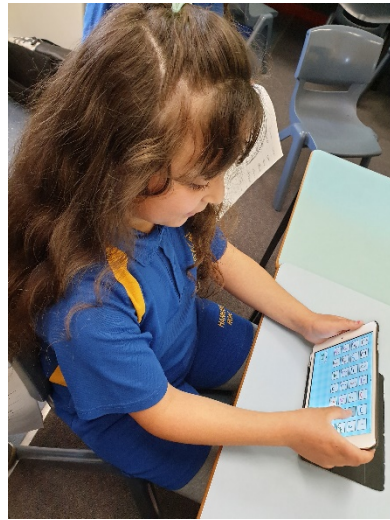

I make sure my  
actions keep  
myself, others and  
our school safe.

**Keep it small**

I stay calm and try  
and solve any  
problems. If I can't I  
see a teacher.

**My choices affect  
others**

I think about my  
choices before I  
make them. I make  
choices that ensure  
others are safe,  
happy and learning.

**Book Week**

Next week is Book Week. At Hannans Road we are having a Book Fair where students may purchase books and other items such as pencils, erasers and posters. Students will have an opportunity to view the Book Fair on Monday and will take home a wish list and an envelope. If you would like your child to purchase anything on the wish list, put the money in the envelope and send it back to school with your child. We will make sure they get the items you have selected. If you would prefer your child not to purchase anything, that's fine too. Unfortunately parents are not permitted at the Book Fair.

We are also having a dress up competition on Thursday 22 October. Students may come dressed as either a book character, something from the Book fair theme of Arctic Adventures, or something from the Book Week theme of Curious Creatures, Wild Minds. Prizes will be given for the most creative or interesting costumes in each class.

We also have a visiting author on Monday, Nat Amoores has written two children's books and will get the students involved in storytelling and

**Using technology to  
support learning in  
Arabic**

talk about what good writers do.

**Year 6 Raffle**

As part of their fundraising, Year 6 are holding a raffle. Tickets are \$5 and may be paid for online or the money sent to school. There are some awesome prizes!

First: Framed, signed Bulldogs 2020 team jersey

Second: Framed football signed by Kieran Foran

Third: Bulldogs Hawaiian shirt

Notes and raffle tickets will be sent home this week. We hope you are able to support our Year 6.

**Kindergarten Orientation**

Kindergarten Orientations may take place after 1 November. We have been busily planning for these transition days. Parents are permitted to drop off and pick up their children, but not stay for the orientation. We have planned some online videos for parents and will have these uploaded to our website over the next week. I'll keep you posted.

## Hannans Road Public School Values

### Anything is possible

I don't give up, I keep trying to get the best result.

### The relentless pursuit of growth

I keep working to improve my learning.

### Connect and collaborate

We work with together to share ideas and get the best result.

### Take care, take risks

Even if I'm not sure, I have a go. I learn from and am better because I make mistakes.

### Athletics Carnival

We are holding our athletics carnival this term. The carnival will be held over two days, with field events on Wednesday 4 November and track events on Thursday 5 November. As you would be aware district events have been cancelled this year, so the results will feed in to our sports awards this year.

### Presentation Day Assembly

At the moment we are planing on recording our presentation day as we are not able to invite parents. Should this change we will reorganise. As we have not had dance, a full PSSA season or choir this year, we will not be giving awards for these areas. Again, this is disappointing but we must unfortunatly these things happen in years such as this. Student leader voting and the announcement of 2021 student leaders will continue.

## Collaborating in learning about place value in K/1R

### P&C Meeting

We have a P&C meeting scheduled for Thursday 22 October at 10:00am. This will be a virtual meeting which will require you to join via the internet. This meeting will be set up by the P&C and a link sent out for you to use to join. I will forward the link via dojo once I receive it. Everyone is welcome to join the meeting.

### Have hat, hat play

Just a reminder that as a sunsafe school students need to wear a hat if they wish to play outside. All students should have a school hat, these are available from the office for \$5. Students who do not wear a hat must remain under the COLA or OLA.
