3 September 2020

Creativity Engagement Excellence

Coming up at
Hannans Road:

**Tuesday 22
September**

Year 3 check in
assessments

**Wednesday 23
September**

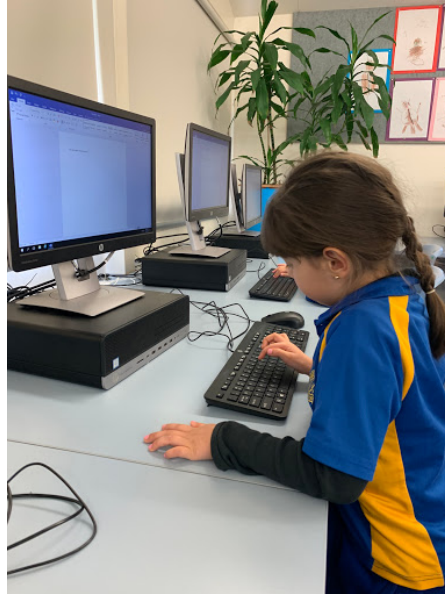

Year 3 check in
assessments

Friday 25 September

Last day of Term 3

Monday 12 October

First day Term 4

**K/1B explore technology
as a tool for learning.**

From the Principal's desk...

Here we are in Week 7, hasn't the term gone quickly! We are starting to get some of the warmer weather, and it is important to remember to be sun safe – wear a hat and put on some sunscreen.

Mrs Smeets, Mrs Grabovac and I had a fun morning yesterday morning organising and selling Father's Day gifts. Students were able to purchase some nice things, courtesy of the P&C who provided the items for sale.

There has been an update to the COVID protocols. Students who have even mild cold or flu symptoms will be sent home for a test as usual. Parents who do not wish to have their child tested must keep the child home for 10 days, the last three of which must be

symptom free before the child returns to school. All other guidelines remain the same.

Last week was SAS Staff Recognition Week, where we say thank you to our office staff and our SLSOs for the amazing work they do in supporting our school community. We have an amazing crew here at Hannans Road and I thank them all for their work and support, often going above and beyond for our students, staff and parents.

And to all of our dads, carers, uncles and grandads, have a wonderful day on Sunday.

Have a great week.

Cheryl Butler

Hannans Road Public School Key Messages

Right place, right time.

I'm where I need to
be when I need to
be there.

Respect for self, others and place

I make sure my
actions keep
myself, others and
our school safe.

Keep it small

I stay calm and try
and solve any
problems. If I can't I
see a teacher.

My choices affect others

I think about my
choices before I
make them. I make
choices that ensure
others are safe,
happy and learning.

K/1R just chillin' after some rigorous learning

Reports

Our reports went home last week. Please remember these are semester one reports only and do not include work completed this term. If you would like to speak with your child's teacher, and have not already done so, please contact them to make an appointment.

Check In Assessments

Check in assessments for our Year 3 students will take place later this term. Year 5 have already completed these. These do not replace NAPLAN, which was not held this year. The assessments are in reading and in mathematics, and are a chance for teachers to check in on where students are in their learning.

Kindergarten 2021

Have someone starting Kindergarten in 2021, or know anyone starting Kindergarten next year? Enrolments are open, so contact the school or get your enrolment forms in so that we can start planning for an exciting 2021.

Dance Group Update

Our 3-6 Dance Group started rehearsals again this week. We have a COVID safe plan in place that includes distancing, hygiene protocols and using their own water bottles. Even though social distancing rules don't apply to our students under the Department of Education guidelines, we always do our best to err on the side of caution. Please contact the school if you have any concerns. We are hoping to get our K-2 dancers back soon also.

Arrival and Departure

As you know, with COVID we are doing our best to support parents in social distancing when dropping off and picking up students. This will continue at least until the end of Term 3 and possibly into Term 4. A reminder that the gate opens at 9:00am, students are unsupervised outside of the school if they arrive earlier. Thank you to all of our parents and students who are supporting us in this, by arriving from 9:00am.

Public School
Values**

Anything is possible

I don't give up, I keep trying to get the best result.

The relentless pursuit of growth

I keep working to improve my learning.

Connect and collaborate

We work with together to share ideas and get the best result.

Take care, take risks

Even if I'm not sure, I have a go. I learn from and am better because I make mistakes.

What's been happening at Hannans Road?

We've been stargazing to build our ideas for writing

We've been using our knowledge of maths to create environmental images

We've been questioning to deepen our understanding of perspectives

And happy Father's Day to everyone who is celebrating this weekend.
