July 22	Term 3 Students return to school
July 24	Gold Assembly
July 25	Athletics Carnival - Track and Field
August 4	Education Week
August 4	Book Fair
August 7	Open Day

From the Principal's desk

And we are at the end of another term. I hope the wild weather hasn't caused too many problems for anyone.

Thank you to all of our parents who were able to make it to our parent teacher meetings. These are an invaluable way of discovering where students are in their learning and how we can support them in continuing their learning. If you were unable to make the appointment times, but would still like to chat to your child's teacher, you can contact the school to make an appointment or contact your child's teacher via Dojo.

As we continue with the winter weather, please make sure all jumpers, coats etc are labelled with your child's name so that we can return items to them should they forget to pick them up.

Have a happy and safe holiday, and we will see students back on Tuesday 22 July.

Cheryl Butler
Principal

Student Parliament

Each term, Hannans Road Public School hosts a Student Parliament, led and managed by the students themselves. This initiative gives students the opportunity to share their ideas and propose changes they would like to see at their school.

The Student Parliament includes the following leadership roles:

- Prime Minister
- Deputy Minister & Minister for Well-being
- Minister for Sport
- Minister for Technology
- Minister for the Arts and Environment

During Parliament sessions, students present motions which are then debated and voted on. Approved motions are taken by the Prime Minister to the School Principal, Ms Butler, who carefully considers each proposal and determines whether it will be implemented, based on the best interests of the students and the school community.

PSSA Mixed Newcombe Ball 2025 – Juniors Grand Final

Our Juniors team reached the Grand Final of the 2025 PSSA Mixed Newcombe Ball competition today! They played an outstanding Semi Final, defeating Oatley West—who were top of the ladder—and advanced to face Peakhurst Public School in a thrilling final match.

It was a closely contested game, with Peakhurst winning 2-1 (15-6, 13-15, 12-15). Despite the narrow loss, our team showed incredible skill, determination, and sportsmanship.

Congratulations to all our players on an amazing achievement! A big thank you to Ms Yacou for her dedication, guidance, and the fantastic season. We're so proud of our students! 😊

45Y working on their Slam poetry.

Slam poetry is a kind of performance poetry—you don't just write it, you say it out loud with expression, emotion, and energy.

Learning a new high frequency word - “come”

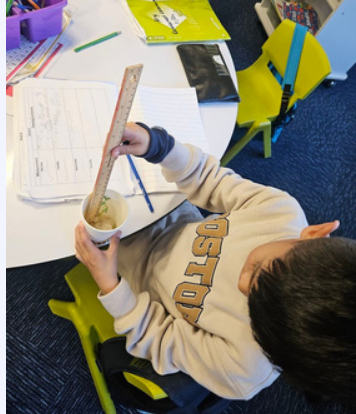

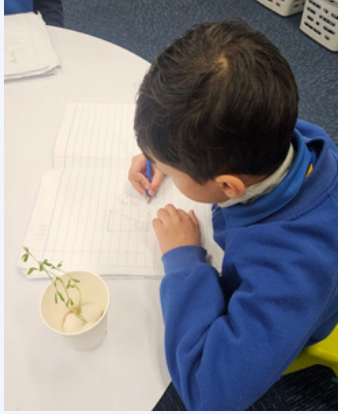

SCIENCE

This week, K/1C have been busy little scientists, exploring the way objects move by investigating the forces of push and pull.

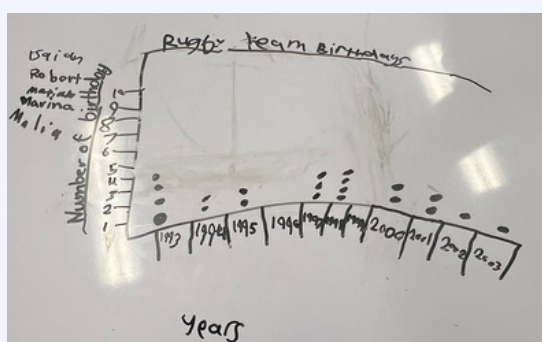

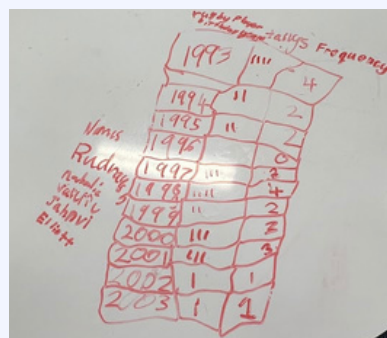

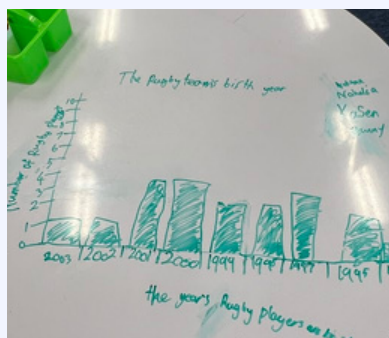

1/2S connecting Science and Maths through plant growth

Students in 1/2S have been exploring the connection between Science and Maths by planting seeds and observing how they change and grow into living plants over time. As part of their learning, they measured the growth of their plants and recorded the changes through detailed drawings.

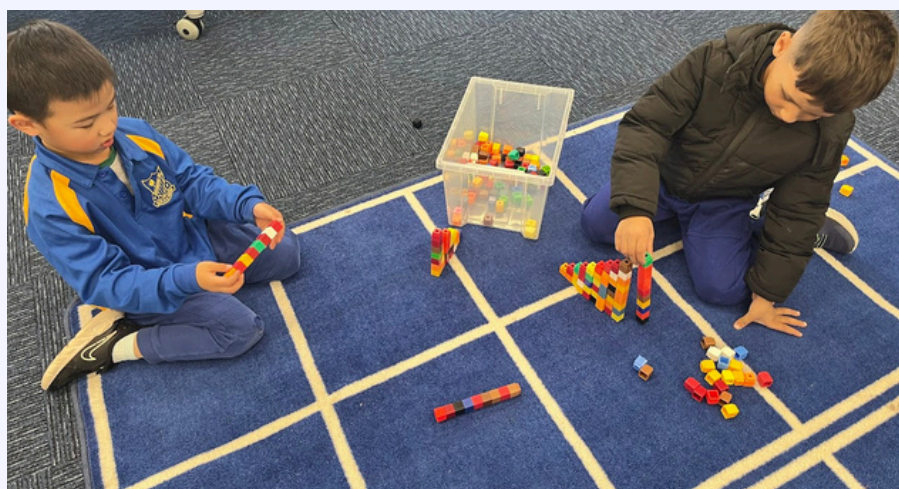

K/1C being a human pinball machine for Science

2/3A organising and representing data that has been given to them.

K/1C exploring patterns

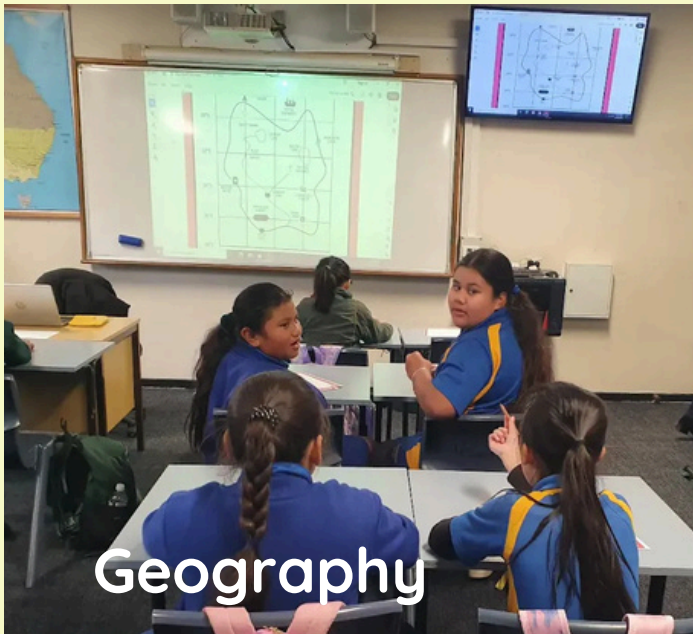

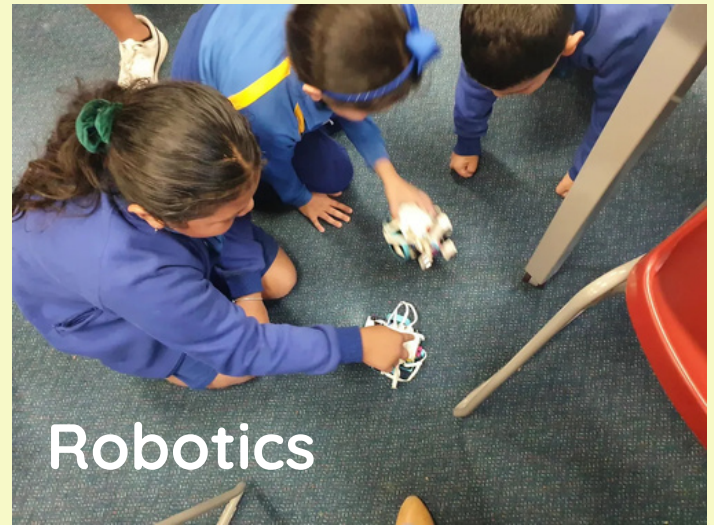

5/6R using pattern blocks to explore

Our students visit to Kingsgrove High School

As part of the preparation for high school program, our Year 4 students were invited to participate in some learning activities at Kingsgrove High School. Kingsgrove High School is a feeder school for Hannans Road.
